

RUST, CALCIUM & LIME PLUS

Product

- ✓ Fast acting and safe to use
- ✓ Powerful descaler.
- ✓ Has no foul odours!
- ✓ Excellent for brick cleaning and the removal of excess grout and mortar
- ✓ Organic salt composition

Before

After

RUST, CALCIUM & LIME PLUS provides a safe and environmentally friendly solution to clean brick walls. It is an organic salt and as such is non-fuming and rated only as a mild irritant towards people. However in the presence of reactive deposits such as calcium carbonate and calcium sulphate RUST, CALCIUM & LIME PLUS behaves just like hydrochloric acid, rapidly dissolving scale and calcium deposits. It's fast acting and easy to use. See below for further application details.

Technical

| | |
|------------------|-------------------------------------|
| Physical state | Liquid |
| Colour | Clear to pale yellow |
| Odour | Characteristic |
| pH (5% solution) | < 1 |
| Specific gravity | 1.21 |
| Shelf life | 1 year from the date of manufacture |

| Product Code | Outer Pack | APN |

| CHCR-17001 (1L) | 6 | 9324828003632 |
| CHCR-17005 (5L) | 3 | 9324828003649 |
| CHCR-17015 (15L) | 1 | 9324828003656 |

Application

LIME, SCALE & RUST REMOVER

1. Dilute 1 part RCL PLUS with 3 parts water (250 ml per litre of water).
2. Pour, Foam or Brush solution onto surface and allow to penetrate. Use a brush or deck scrub to agitate soil and assist soil removal.
3. Thoroughly rinse with water.
4. Repeat if necessary.

NOTE:

- DO NOT use on marble, terrazzo, limestone or acid sensitive surfaces as it will etch these materials.
- DO NOT use on nylon or at temperatures greater than 60 °C.
- RCL PLUS is low in pH and has a high salt level therefore is NOT recommended for use on aluminium.
- ALWAYS pre-test surfaces to be cleaned prior to application and refer to Product Information Sheet before use.

EXCESS GROUT & MORTAR

1. Dilute 1 part RCL PLUS with 3 parts water.
2. Brush solution onto surface and scrub until the excess grout has been removed.
3. Thoroughly rinse with water.
Repeat if necessary.
