pH	9.50 – 10.50

Product Code	Outer Pack	APN
CHRC-1910015A (5L)	3	9324828000785
CHRC-1910015 (15L)	1	9324828000792
CHRC-1912005 (200L)	1	9324280000808

## Application

Method	Dilution
<ol style="list-style-type: none"><li>Vacuum carpet thoroughly and move furniture or place foil under legs.</li><li>Dilute SPITFIRE LAVENDER as directed. The product can be used with warm or hot water (65-90°C). Hot water will help improve oily soil removal.</li><li>Pretest before use. Apply the diluted solution in an inconspicuous area and cover with a clean white towel. Leave for 5 mins and check the towel for colour transfer. If no colour transfer proceed with cleaning.</li><li>Pre-spray the carpet to be cleaned paying special attention to high traffic or heavily soiled areas. DO NOT saturate carpet. Make sure carpet is consistently wet.</li><li>Allow pre-spray to remain on the carpet for 3–5 minutes. Always work on a manageable area and DO NOT let pre-spray dry before extracting.</li><li>Extract the carpet with clean water and leave it to dry. If necessary provide ventilation to reduce drying times.</li></ol>	<p>Regular soil: 1 to 30 parts water</p> <p>Heavy soil: 1 to 20 parts water</p>
