

SLEEK 50 *Combination Floor Cleaner Polish*

PRODUCT INFORMATION SHEET

DESCRIPTION:

SLEEK 50 is formulated from a blend of surfactants and cleaning additives and fully formulated polymer resins designed to efficiently remove dirt whilst depositing a small amount of protective film to the floor surface. Maintenance of floor sealer finishes with **SLEEK 50** holds appearance and prolongs the need for replacing polish in most areas.

SLEEK 50 cleans and dries to a pleasing luster, exhibits excellent scuff and black heel mark resistance and is easily buffed to a good gloss level.

SLEEK 50 is low foaming, and well suited for use either through automatic scrubbing machines or with manual wet cleaning operations.

FEATURES AND BENEFITS:

- Removes dirt whilst depositing a small amount of protective film to the floor surface.
- Excellent scuff and black heel mark resistance.
- Easily buffed to a good gloss level.
- Low foam suited for use in either automatic scrubbing machines or with manual wet cleaning operations.

TECHNICAL INFORMATION:

Appearance	Opaque white coloured liquid
Odour	Slight ammonia
pH	8.5-9.5
Specific Gravity	1.018 ± 0.005
Percentage Volatiles	89.0 – 90.0%
Solubility in Water	Infinite

USE:

For routine daily wet mop cleaning, dilute 1 part **SLEEK 50** to 20 parts water.

For daily cleaning through automatic scrubbing equipment dilute 1 part **SLEEK 50** to 20-40 parts water.

For spray buff cleaning dilute 1 part **SLEEK 50** to 5 parts water, spray onto the floor surface and machine buff to desired gloss.

SAFETY: This material is not classified as hazardous according to criteria of Safe Work Australia.

Avoid contact with skin and eyes. Avoid breathing dust, fume, gas, mist, vapour or spray. Wear overalls, safety shoes, impervious gloves and safety glasses. Use only in well ventilated areas. Wash hands after use. Keep containers closed when not in use.
