## Sudzee

### Sink Detergent

Sudzee Sink Detergent is an active multi-purpose detergent formulated to cut through baked-on grease. This high sudsing liquid is delicately perfumed with an apple fragrance and is guaranteed to deliver great cleaning results. Sudzee

Sink Detergent is recommended for a wide variety of cleaning applications such as pots and pans, dishes, glassware and light duty cleaning tasks on hard surfaces (floors, walls, benches).

#### Procedure

- **LIGHT WASH UP** - Add 50ml per 20 litres of hot water.
- **MEDIUM / HEAVY WASH UP** - Add 100ml per 20 litres of hot water.
- Fill sink with hot water to the requirement level.
- Wash item in sink.
- Rinse thoroughly with clean water.
- Allow to dry.

This Product has been independently tested and approved by Accords Recognised environmental credentials scheme.
