

TEMPO HD

HEAVY DUTY NEUTRAL DETERGENT

BENEFITS:

- Concentrated formula
- Rapid emulsification technology
- Neutral pH & solvent free

TEMPO HD is a multipurpose neutral detergent designed for use in commercial, institutional and industrial environments. TEMPO HD rapidly emulsifies common food oils, minerals oils, and synthetic oils. Being pH neutral and solvent free TEMPO HD is safe for use on most surfaces.

TEMPO HD can be used in any area where oil and grease are a problem, including supermarkets, commercial buildings, kitchens, factories, institutional, government and healthcare facilities.

HEALTH AND SAFETY STATEMENT:

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have a potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT:

Whiteley Industrial manufactures products that comply with Australian and International environmental policies. Whiteley Industrial aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Industrial products are supplied in 100% recyclable containers. Whiteley Industrial and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
