ALCASAN

ALCOHOL ANTI-BAC HAND GEL

PRODUCT DESCRIPTION :

ALCASAN alcohol antibacterial hand gel cleanses without the need for water. Developed in accordance with World Health Organisation (WHO) guidelines, this product contains 70% Ethanol v/v to provide maximum efficacy along with emollients to help prevent hands from drying out in continual use situations such as nursing homes, hospitals, food processing facilities or any area where personal hygiene is critical to prevent the spread of disease or contamination.

USE & DILUTION RECOMMENDATIONS:

This product is ideal for use in food processing areas, waiting rooms, receptions and any area where hygiene is a must. Simply dispense 1 to 2 pumps to dry hands and work the gel between your hands and fingers. Once hands are covered with the product; allow them to air dry; no rinsing is required. Do not smell the vapours whilst your hands are wet with the product. **FREE ON LOAN** dispensers will be of consideration in conjunction with your representative.

SAFETY PRECAUTIONS:

Warning: Flammable. For external use only. Do not use on broken skin. Avoid contact with eyes. Do not smoke when using. Keep out of reach of children. Do not breath vapour. Do not drink.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre. If swallowed do NOT induce vomiting, give a glass of water. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.

PACKAGING

5 x 1 litre bladder refills, 500ml pump bottles, 5, 20 & 205 litre containers.

CONDITIONS OF SALE & USAGE (STANDARD DISCLAIMER)

This product should not be used for any purpose or in any manner contrary to the labelling, SDS, or Technical Data Sheet, unless authorised to do so under appropriate legislation. By purchasing and using this product the purchaser assumes responsibility for any and all results that may occur and shall not hold the manufacturer liable for any loss or injury however occurring.
